## WEEK END WORK SCHEDULED

### Diamond Heights Blvd. from Clipper St. to Portola St.

A Ruiz Construction, Co. under contract with San Francisco Public Works is scheduled to repave Diamond Heights Blvd between Clipper Street and Portola Drive. You may recall this segment was under construction last fall 2017 as part of the Diamond Heights Improvements Project. This small section of roadway paving did not meet City standards so, A. Ruiz Construction will grind (remove) the existing asphalt and repave. To minimize the impact of traffic and to the community, the work will occur:

**Saturday, June 2, 2018** from 8:00 am to 7:00 pm

**Saturday, June 9, 2018** from 8:00 am to 7:00 pm

In the coming weeks, the same crews will complete the remaining paving for the Diamond Heights Improvements Project between Berkeley Way and Sussex Street (alongside Glen Canyon Park).

Please expect delays and allow extra travel time. We apologize for the inconvenience.
