3. Next Arlington clean up, Saturday, July 14.
Focus will be on Arlington and San Jose Avenue
Huge turnout last time (35 volunteers). How can we repeat?
  ● Paid FB advertisement netted volunteers
  ● Carolyn in touch with folks who worked on it and they’ve expressed interest in repeating
  ● Coordinate with Fix It
During last clean up, we uncovered irrigation system
FUF is interested in using this DPW space as a nursery

Discussion Items
1. Ann Grogan
Interested in converting space behind the rec center to a dog park. The Recreation and Parks Department suggested she do some neighborhood outreach.
GPA advised her to get parameters for what’s possible from Recreation and Parks first.

2. Mary Szczepanik, new webmaster
Having a managed program year on year is important for website
$1,800 money already appropriated. We can use that to pay for the managed program.

New possibilities:
We can introduce polls to get neighborhood feedback
We can introduce local ads. Mary can even mock them up.
First step: gather data about our web audience

3. Amending the bylaws
Bylaws outdated.

Bonnee, Heather, Sally, Michael will have a draft by July board meeting. If board approves, then GPA must announce the changes to membership at October meeting. Then membership votes on the changes at the following meeting in January.

4. Greenway updates
   The last workday was a success
   Another work day scheduled for August 11

   As a result of the Participatory Budgeting Process the project received a $20,000 grant from Supervisor’s office to do a boundary survey. First estimate came in way over budget. Another estimate will be requested with a narrower scope to reduce the cost.

   Demonstration beds going in per water grant. We will use textured concrete blocks to build the walls of the raised beds so that they resemble stone walls.

   Note that, because the Greenway is legally a project of the San Francisco Parks Alliance and is not formally a part of GPA, the funds received and expended for these Greenway activities are not connected with the finances of GPA.

Committee Reports
1. Treasurer’s Report

2. Zoning and Planning
   We can best serve membership by letting them know there will be changes and keeping them apprised of what is going on. Patty Hayes can decide whether she wants to come to a GPA meeting to talk about the Kern Alley parking lot her family owns.

   Marina Nelson (neighbor) wants to paint a mural on the housing across the street. President and VP advised her to approach property owners.

3. Transportation
   Miguel resurfacing. We’ve continued to push Public Works for a meeting about the timelines
   
   Crosswalk at Elk and Sussex
   Still working on getting project planner to address the Association.

   Diamond and Bosworth
SFMTA came to us for the first time. Offered to speak at the general meeting.

4. Membership
Total members as of 6/12/18: 169

GP Festival:
15 new members
19 renewals

Meeting adjourned 9:04 p.m.
