Action Items

1. Matthew Donahue

- Joined DAs office 1.5 years ago, domestic violence prosecutor
- Feedback encouraged. He can take reports, come to meetings, update on cases, do neighborhood walks
- Number one problem he hears about in residential neighborhoods is about burglaries, though violent crime is also on the rise. If you feel the DA's office did not prosecute a crime perpetrated against you, get in touch with him to learn more

- Contact information: Matt Donahue: matthew.donahue@sfgov.org and (707) 310-5457
Victim Services: victimservices@sfgov.org and (628) 652-4100 ADA

2. Renee Berger

- Interested in creating a mural and tiled stairwell on the dead-end of Burnside
- Land is owned by the city, operated by San Francisco Public Works
- GPA can help with city liaisons, communication, some local and artistic liaisons

3. Membership Outreach Plan

- Membership email went out December 7 with GPA 2020 accomplishments and request for membership to GPA mailing list (1,083 emails), yielding 85 new members

- Many residents have lived here for more than 40 years

4. GPA Winter Quarterly Meeting 2021

Discussions

1. Sunday shooting at Sussex and Diamond

- There has been a pattern of shootings at the top of the neighborhood since July
- This last shooting was in the middle of the day, in the middle of a lot of people. At least two board members plan to attend this week's community meeting with the Ingleside Chief of Police

2. Funding for the Greenway has been supplemented by add-back money from the supervisor's office.

3. Amos Goldbaum mural proposed for Glen Park village

A neighbor has talked to the property owners who want to make sure there is public feedback about the idea
