Quarterly Meetings: The board discussed whether future board meetings should alternate between virtual and in person. For example, the January and July meetings could be in person, while the April and October meetings could be virtual. Discussion was tabled until the March board meeting.

- Slow streets program update: There will be new slow street pavement markings and expanded tool kit to slow traffic. Goal is to reduce vehicle speeds to 15 MPH or less, with vehicle volumes of 1,000/day or less. Each potential slow street will be evaluated, and the SFMTC will make the final decision.
- Chenery Slow Street: A neighbor on Chenery, Kevin Berkemeyer, has submitted a petition to add Chenery to the Slow Street network to SFMTA and has reached out to the Glen Park Merchants Association (GPMA) and the GPA Board. SFMTA will do a new traffic evaluation.
- SFMTA will be submitting a grant application to Safe Routes to BART. Julia requested that the GPA send a letter of support for the grant.

Art Walk Update: Janet Tarlov

- Marian Dalere has requested the date of October 7, the first Saturday in October. Volunteers will be needed to help on the day of the festival and also on the planning task force. Heather volunteered to be the GPA liaison.
